Mr. CASTLE (during the reading). Mr. Speaker, I ask unanimous consent that the amendment be considered as read and printed in the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Delaware?

There was no objection.

Mr. CASTLE. Mr. Speaker, I rise today in support of H.R. 3885, the District of Columbia and United States Territories Circulating Quarter Dollar Program Act. I want to thank both Chairman OXLEY and Chairman PRYCE for the Financial Services Committee's support for this legislation, and Leader BOEHNER and incoming chairman BARNEY FRANK for their help in getting the bill to the floor as the 109th Congress winds down.

The legislation before us would create a 1-year program following the end of the popular 50 State Quarter program that would create circulating quarters that bear images honoring the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

Mr. Speaker, the 50 State Quarter program has proved to be a great success—it has reinvigorated interest in coin collecting, has proven an invaluable educational tool, and has contributed close to \$6 billion dollars to the U.S. Treasury, so far, through seigniorage and the sale of products for collectors. These savings will reduce interest on the debt, something we should all support. The state quarters have been the most popular coin program in the United States' Mint history, with an estimated 140 million Americans collecting the coins. Next year, in a program modeled after the state quarters, the Mint will begin issuing dollar coins bearing the images of the Presidents, changing the design four times a year.

Mr. Speaker, DC and the territories weren't included in the state quarter program, but they deserve their own quarters and Americans deserve to be able to get those quarters and learn about their history. This legislation is a good bipartisan bill supported by other members of the Financial Services Committee and passed in the House in every Congress since we approved the state quarter legislation. I am pleased today that we have brought this

much-needed bill to the floor. I urge my colleagues on both sides of the aisle to join me in supporting this important legislation, and I hope our colleagues in the other body now will approve it as well. The Mint needs adequate time to plan the designs for these coins, and sending this bill to the President 2 years from now is too late.

The amendment was agreed to.

The bill was ordered to be engrossed and read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.
